

## President's Message

We have a world renowned wood-turner and sculptor, Jacques Vesery, coming this November to

demonstrate and conduct workshops. This will be a must-attend event. Be sure to secure your slot in one of the two workshops and mark your calendar for November 17th for the demo.

Do not forget to start making a piece or two for the October show at the Jekyll Island Art Association. I will need your price list/inventory by the end of August. ■

## 50/50 Raffle is Back!

We'll be holding a 50/50 raffle to raise some much needed funds. To enter, buy a raffle ticket at the next monthly meeting on July 21. The winner will win 50% of the proceeds, with the other 50% going to the club. So be sure to bring plenty of money to the next meeting! ■

## Jacques Vesery Workshop Nov 18–19

Tickets for this workshop are selling fast. Be sure you reserve your spot on your desired day. The workshop is \$100 for a one-day, eight-hour class. Choose from either Friday or Saturday. To sign up, fill out page 2 of this newsletter and either mail or hand it to Lou Cook. Lou will be taking cash, checks or credit cards at the next member meeting on July 21. ■

## Instant Gallery and Demonstrator Critiques

We will now be holding the Instant Gallery at the beginning of the member meetings before the demonstration starts—rather than during the demonstration break—to better spotlight the beautiful work submitted. Turners who submit work to the Instant Gallery will also have the option of having their piece critiqued by the demonstrator. ■

Peggy Schmid's demonstration in June was brilliant, insightful and hilarious. Thanks Peggy! ■

Kristen King of the Dwaine & Cynthia Willett Children's Hospital of Savannah was kind enough to send this photo of our intrepid president, Roy Yarger, delivering a Beads of Courage box to a little girl in the hospital. ■

## July Monthly Meeting

Our next monthly member meeting will take place on Thursday, July 21—the third Thursday of the month, rather than the fourth. Crystal Holman, art teacher, pyrographer and former Lowcountry Turners member, will be our featured demonstrator. The demonstration will focus on pyrography. ■
