# LOWCOUNTRY TURNERS

---

## March LowCountry Turners Newsletter

### Guest Turner—Dan Elliott

Our own Dan Elliott will be demonstrating “turning inside out” as he creates a wine bottle and a goblet.

Our opening last Friday was a huge success. Many thanks to all who contributed to the success of this event. All artwork is to be picked up on Monday, April 4th.

Start planning for the October show at the Goodyear Cottage on Jekyll Island in October.

The club is in need of a replacement for Chris Thomas. If anyone can help out with the newsletter and secretary position, let me know.

Everyone that is going to the Atlanta symposium, please consider volunteering. The Georgia clubs will split the proceeds of the lathe raffles at the symposium. The percent of the split will depend on the number of volunteers each individual Georgia club has. The amount of the split goes to the club. A nice way to add some money to our account. Plus it is fun to do!
